

WHO AM I?

King David trying to let God know how amazed he is by
the beauty of God's creation and surprised at mankind's place in it.

Lord, Your Name is great and powerful!
People everywhere can see how amazing You are
Just by looking at the world around them.
Your greatness is heard in the innocent voices of children.
Strength rises up as they sing Your praises.
Who can argue with that?!
Just look at the beauty of Your skies -
The moon and stars mounted like jewels in their settings.
You are the artist who made them all!

So I have to ask You this question:
Compared to all this cosmic glory why would You bother with puny, mortal man?

Yet ...
You have drawn us close to You – raised us up out of dust!
You treat us like sons and daughters
And trust us to take good care of Your vast creation.
That's a tall order!

Lord, Your Name is great and powerful!
